

Naseby Village Hall SPORTS CLUB

We now have a fantastic new facility in the village. The new sports court will provide two tennis courts, one five-a-side football pitch or one netball court available for use by all villagers who become members of the sports club. There are already three new sports club being started within the village. In addition to these planned "Club Sessions", the sports courts will be available for private use or priority booking at no additional cost by any member. So please sign up and enjoy yourselves.

Membership costs just £30 per family (or £10 per individual) each year. Membership entitles you to book and use the court.

Tennis Club

The tennis club caters for all skill levels and plans to meet during the week on a Tuesday or Thursday and also on Sunday mornings. The weekend sessions will be open to families and, if there is sufficient interest, we will arrange for a tennis coach (at additional cost) for family or individual coaching sessions. The club will be a social occasion to meet other people and play mixed and doubles matches against other villagers. If you are interested please register your interest on the village website www.naseby.org or contact Wyn Sleeman on 01604 740963 for more information.

Football Club

A five a side football club is planning to meet up one night each week and will hopefully be playing friendly matches against other villages. If you are interested please register on the village website www.naseby.org or contact Mel Hoyle on 01604 740848 for more information.

Netball Club

A social netball club will meet each Wednesday night. A coach will come and train the members initially and the plan is to play friendly matches against other villages. Enthusiasm rather than talent essential. If you are interested please register on the village website www.naseby.org or contact Pauline Vann on 01604 740774 for more information.

Other clubs

If you are interested in setting up any other clubs then please contact Wyn Sleeman on 01604 740963.
